Mr. Sawdon's Monthly PE Update

Grades 3-5:

We completed our unit in Basketball. Students played several games and practice their skills in passing and shooting. For the month of April, we hope to get outside and learn the game of softball

Grades K-2:

We played games called "MasterMind Relay", "Merry-Go-Exercise", "Red Rover", and ran "Animal Stations". These games helped the students improve conditioning and use their mental skills under physical stress. For the month of April, we hope to get outside and learn the game of kickball.

Tardy Reminder- If your student(s) is going to be tardy and need a hot lunch, please call the office at 810-984-6500 before 8:45 A.M. We must place our lunch orders by this time.

Occasionally you may find it necessary to remove your child from school before the end of the regular school day. If you are picking up your child for early dismissal:

- Send a note to the teacher so preparations can be made. If an emergency situation makes this impossible, a phone call to the school office will suffice, preferably before 3:00 p.m.
 - Come to the office and sign them out in the book on the counter. Your child will be called from the classroom at that time to meet you in the office.
 - Your child must be released to someone who is listed on their Emergency Contact form - we may ask for verification of their identity. To insure the safety of the children placed in our care, it is essential that parents follow these procedures.
 - Early dismissals after 3:00 p.m. are extremely disruptive to the whole classroom. We ask that you refrain from picking your child up after that time unless it is absolutely necessary.
 - If you have different arrangements for dismissal, we ask that you communicate those arrangements before the school day with your
 - child to avoid interruptions in the classroom.
-

Note from Parent Facilitator, Margaret Rushton

My role here is to increase parent involvement in their children's educational journey. I am a liaison between parents and school staff. Cleveland Elementary has attainable goals for improved performance for which we have resources. I can assist you in accessing those tools for your kids' advantage.

Feel free to call me at 984-6500 (ext. 2430) or drop in when you are at school. This is an effort sponsored by Title I which can have long lasting results!
