May 29- Classes Resume

[View the complete calendar](#)

Half Day- May 23rd students will be dismissed at 11:58 a.m. Please make arrangements to have your student(s) picked up accordingly.

Mr. Sawdon's Monthly PE Update-

Grades 3-5:

We began our unit of kickball. We have played several games and the students have been learning the game. We hope to get outside soon and apply what we have learned in kickball to baseball and softball.

Grades K-2:

We began our unit of kickball. We have played several games and the students have been learning the game. We hope to get outside soon and apply what we have learned in kickball to baseball and softball.

Tardy Reminder- If your student(s) is going to be tardy and need a hot lunch, please call the office at 810-984-6500 before 8:45 A.M. We must place our lunch orders by this time.

Ms. Stier's Monthly Update-

K-5 Music- We have had an exciting time in music this month. We are learning about the science in music. The students are loving this unit and are extremely surprised to discover how much science there really is in music. Check out this link showing sound waves and vibrations in musical instruments. <https://youtu.be/Q3oltpVa9fs> (I think this was the favorite video of the year!!)

K-2 Art- Math in Art? Yes, we are learning about Geometric shapes are everywhere!! We have had so much fun creating robots, monsters, & cityscapes with our shapes.

3-5 Art/Geometry This month we are working on a STEAM art project. We learned what Origami (Japanese paper folding) is and how many geometric shapes are in the Origami 8pt. Star. Several of these were on display at Woodrow Wilson on STEAM night.

K- Technology class is getting so good at using the mouse!!

1-3 Technology classes are doing a great job with using their own: log-in, passwords, Google Classrooms, Google Slides

4-5 Technology classes have been having great discussions on Cyberbullying while using Nearpod lessons.

Occasionally you may find it necessary to remove your child from school before the end of the regular school day. If you are picking up your child for early dismissal:

- Send a note to the teacher so preparations can be made. If an emergency situation makes this impossible, a phone call to the school office will suffice, preferably before 3:00 p.m.
- Come to the office and sign them out in the book on the counter. Your child will be called from the classroom at that time to meet you in the office.
- Your child must be released to someone who is listed on their Emergency Contact form - we may ask for verification of their identity. To insure the safety of the children placed in our care, it is essential that parents follow these procedures.
- Early dismissals after 3:00 p.m. are extremely disruptive to the whole classroom. We ask that you refrain from picking your child up after that time unless it is absolutely necessary.

- If you have different arrangements for dismissal, we ask that you communicate those arrangements before the school day with your
 - child to avoid interruptions in the classroom.
-

Note from Parent Facilitator, Margaret Rushton

My role here is to increase parent involvement in their children's educational journey. I am a liaison between parents and school staff. Cleveland Elementary has attainable goals for improved performance for which we have resources. I can assist you in accessing those tools for your kids' advantage.

Feel free to call me at 984-6500 (ext. 2430) or drop in when you are at school. This is an effort sponsored by Title I which can have long lasting results!
