Parents and Guardians:

As you may be aware, the Michigan Supreme Court ruled Friday against the Governor's Executive Orders. The Attorney General has followed this by stating she will no longer enforce the orders. The District is awaiting further guidance from the Michigan Department of Education related to schools.

At this time we will stay the course by holding our staff and students to the same safety standards and expectations that the Board of Education approved as part of our return to school plan. Students and staff will still wear face coverings and follow our other safety expectations.

We are very proud of how our students and staff have embraced keeping our schools safe. Please know that we will continue to closely monitor the situation and keep you informed. Thank you for your continued cooperation and support of our students and staff.

Sincerely,

**Mr. Theo A. Kerhoulas**
