Report Cards/MStep Results

Report Cards for the 1st marking period and Spring MStep Results will be available for parent pick up at the school during conference times. Any that are not picked up during that time, will be sent home with the student the following week.

Emergency Contacts

Just a reminder that we will only release students to people who you have authorized on the Emergency Form. In addition, we do ask for ID when picking up a student from school. Please remind your contacts to bring it in when they come to pick up your child. You can make updates on the form through Skyward or by coming into the office.

Winning Warriors

Each marking period, Holland Woods students evaluate their grades, behavior, and citizenship. This is called “calibration” and the data is placed in each student’s PrideBook. This data is used to establish our Winning Warrior Program participants and our Earned Privilege Program Color Codes. Students who calibrate on Green or Blue for the marking period are eligible for the rewards listed below. If a student calibrates on Green or Blue for the entire school year they are eligible for the end of the year reward as well. This year we will be going to Cedar Point and having a backyard BBQ for our end of the year rewards.
