---

**Conferences:** Parent Teacher Conferences for grades K-5 will be held November 14-17, 2016. The conference schedule will be:

**Tuesday, November 14 - 5:00pm - 8:00pm**

**Wednesday, November 15 - 12:40pm - 3:40pm**

**Thursday, November 16 - 12:40pm - 3:40pm & 5:00pm - 8:00pm**

During the week of conferences, students will have a full day of school on November 13. On November 14, 15, 16, and 17, students will have half days and be dismissed at 11:48am.

**Health Heroes:** The best way to minimize or avoid the flu is to get an annual flu shot. Each year the vaccine protects against new strains, therefore, the vaccine should be administered annually. Free flu vaccinations are to be provided to students who have turned in a parent consent form through Health Heroes. Vaccinations will take place during lunch hours.

---

**Gizmo Game Night:** Title 1 is sponsoring a family game night. Come and play games from 6pm to 7pm, with pizza being served at 5:30pm. Each family will be given a free \$15 game coupon which can go towards purchasing games. Games will range in price from \$3 to \$25.

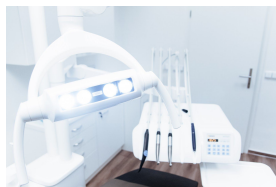

**Drama Club:** Drama club still has openings for new members. The Kimball Drama Club is a performance focused club opened to students in 3rd, 4th, and 5th grade. Meetings are on

Wednesdays after school from 3:15pm to 5:00pm in the gym. Any questions regarding drama club can be directed to Miss Fye in the office at 984-6519 ext. 3513 or at [jfye@phasd.us](mailto:jfye@phasd.us).

---

**Winter Wear:** It's that time of the year again. As it gets colder, we would like to remind you to dress your cub appropriately. This means coats, hats, gloves, etc. If your child is missing any winter items please check the cafeteria coat rack, this is where lost & found items are kept.

Please contact the office if your child is in need of a winter coat. We have had many new coats donated. We also have new shoes and socks and gently used clothing available to any student who needs them.

**Mobile Dentist:** Our school has partnered with Smile Programs to offer in-school dental care. If your child does not see a dentist regularly or you would like them to see the in-school dentist, simply fill out the permission form which will be sent home the first week of November.

There may be no cost to you if your child is insured with Medicaid. Private insurance and affordable self-pay options are also available.

Having your child seen by the in-school dentist saves you valuable time. Top quality care is provided by local, licensed dentists right in the familiar surroundings of your child's school. Dental care includes a complete exam, x-rays, cleaning, fluoride, and sealants when needed, and in some cases, restorative care such as fillings.
