Message to Seniors and their families from Ms. Brandon:

Every Thursday until the week of May 15th, staff will be wearing their college gear to promote Decision Day! Decision Day is a small celebration for seniors who have taken the steps to start on a pathway of success after high school. Whether a student has decided to attend a college or university in the fall, enlist with a branch of the armed services, or taken the steps to join the workforce we want to celebrate their hard work!

This year's Decision Day will be on the 15th of May from 12:00 PM to 2:30 PM. There will be a short assembly where students who have turned in exit surveys to Ms. Brandon will be awarded a certificate, and a small reception will follow. This reception will include a candy bar with fun choices, a chance to take photos with fun props, and tables with various college representatives and branches of the Armed Forces.

It is important for all seniors to look through their acceptance letters and make sure they have done every step required to secure enrollment at the college or university they wish to attend. If you are unsure, the best and most accurate way to know is to call the admissions office and ask. If you need help with that please contact Ms. Brandon at ebrandon@phasd.us.
