PBIS Corner: Welcome back Little Reds! Our Roosevelt PBIS team is looking forward to another successful year of learning and teaching!

Roosevelt is a PBIS (Positive Behavior Interventions and Supports) school, which means that we introduce, model, reinforce positive social behavior, and provide supports when needed. We believe that by helping students practice good behavior, we will build a school community where all students have an environment where they can succeed and grow.

Roosevelt's expectations are **Respectful, Responsible, and Ready**. These expectations are taught in all areas of our school, classroom and non-classroom settings. We taught these expectations to the students on Friday, September 7, followed by a Kick-off assembly on Monday morning. Watch for a brochure to come home of all the expectations in school.

We look forward to your input and your involvement. Please contact us at school if you have any questions or need further information. Thank you for your support!
